

Global Conflicts and their consequences

Three major empires collapsed at the beginning of the 20th century. Outline the internal and external factors that caused these collapses.

	Russian Empire	Ottoman Empire	Qing Empire
Internal			
External			

Prompt: Compare and contrast the effects of 20th century global conflicts on the development of TWO of the following areas:

The Middle East

East Asia

Russia

Thesis:

On the back, compose either the comparison or contrast portion of the essay. Make sure you include a topic sentence, at least 3 pieces of evidence, and your analysis.
